## Hi all German Shepherd dog friends..

Invitation to participate in SCHÄFERSLAGET 2009. The competition is carried out in two days. With registration, the drawing of lots and a nice friendship interaction on Friday evening. Participant's number is not yet established, last year we had approximately 40 notified, we can be 60 this year. We also had starting, from Poland, Norway, Holland and Finland.

Last year's contest took place in a continental climate, with music between starters, restaurant tents, lotteries, sale of dog articles, etc.. In the Saturday evening a well-attended comrade party, with grilled food, good drink, karaoke and dance. This year we expanded the festivities with a Rock n'Roll band, The international character is also in this year's maintained, the invitation is also sent to other Nordic / European countries organizations.

At the same time with SCHÄFERSLAGET implemented Sd North West Area Championship 2009. It is the third year in a row, so even DM et becoming well-grounded. It bodes well for the future.

Accommodation available is. Camping, cabins, hostels, hotels and limited number of camper / caravan lots on Sk Björnåsen, but without water and electricity. More info on accommodation is available on the website. note that early booking Backamo camp is to prevail. You may want to print out this, and hang up in appropriate places. Attached poster to print, is included.

Many thanks in advance .....

SK Björnåsen and the North West district

wish you welcome to a fantastic competition weekend..
